Oct. 10, 2020 6:37 PM	Ashley Shunk	How has empathy and compassion led to an authentic impact in food security? I created topic: Taking it to the Farmer: Lessons in Food Systems. description: Share what you have learned about the importance of taking ideas to the farmer and communities that are served..
Oct. 12, 2020 12:06 AM	Kiran Kokate	Developed and implemented the concept of Farmer FIRST in India - Farm - Innovation - Resources - Science - Technology . Emphasis on Enriching Knowledge and Integrating Technology with enhanced farmers - scientists interaction was main motive . This helped in taking a stock of suitability of technologies by experimenting in farmers field .
Oct. 13, 2020 8:33 PM	Ashley Shunk	Thank you for your comment. It really is important to make sure that the technology is going to work for the users.
